

Puzzle 1900, Difficulty 10

The puzzle consists of a 10x10 grid. The grid is divided into 10x10 cells by solid lines. Dashed lines form a pattern of 2x2 blocks and other shapes. Numbers are placed in some cells, and symbols (V, ^, <, >, ||) are placed in others. The symbols are oriented vertically or horizontally.

				18	8	9			
		>		<					
V					10	<		11	V
	13	<							
V			V	^					
	<							>	
			<		24			<	13
	17			18					
7	V		V					22	
			<
